Welcome

Dear AMSU Alumnae and Friends,

Welcome to the Academy of Mount St. Ursula's 2022 Hall of Fame Gala. We are delighted to be able to gather in person tonight! As the oldest continuously operating all-girls Catholic high school in the State of New York, the Academy of Mount St. Ursula has paved the way for future leaders and innovators for over 166 years.

The successes of these 166 plus years have been possible because of people like you whose strong support has helped AMSU make a difference for today's students and their world.

Tonight, we thank our Ursuline Sisters, alumnae and friends. ***It is because of you*** that the Academy of Mount St. Ursula can provide a high-quality Catholic education conducted in Ursuline traditions and values which we hold so close to our hearts. ***It is because of you*** that we can strive to empower young women for leadership roles in society and instill in them a love of learning and broader global citizen perspective. ***It is because of you that*** our culturally diverse college bound students have the high school experience of ***four years to last a lifetime.***

Your presence tonight salutes the honorees selected for leadership in their respective fields:

Dan Houlihan for his many years of support for AMSU, including sponsoring students and serving on AMSU's board.

Joe Muriana and Annelen Madigan '65 for their multi-faceted support of AMSU, especially during the Sustain Our Structure, Support Our School campaign, the updating of our beloved campus and serving on AMSU's board.

Marie Rolla, *(posthumously)* mother of Adrienne Rolla '76, for her love for AMSU throughout her life and her integral support of AMSU's Endowment Initiative.

Jeannie DiBenedetto, our current Director of Student Life, for teaching, leading, and inspiring generations of young women over the past 23 years.

Michael Henry for his commitment to Serviam and academic excellence in his 23 years of teaching at AMSU.

Patrice Mitchell '02 for supporting AMSU students during the pandemic and her active participation in leadership activities such as Career Day and the Student-Sponsor Mixer.

As we recognize the good works of this year's honorees, we also ask that you consider contributing to AMSU's Sustain Our Structure Campaign. All funds will be used immediately to make much needed improvements to the school building and the grounds.

No act of generosity is too small to make a difference.

We thank you for coming here tonight to honor this new 'class' of Hall of Famers and for your continued support of the young women of the Academy of Mount St. Ursula.

Forward Mount St. Ursula!

Honoree

JEANNIE DiBENEDETTO

Jeanne DiBenedetto (known to all as Ms. D.), is currently our Director of Student Life and Ministry and teaches acting and theatre. She began her career at the Academy of Mount St. Ursula in September of 1999 as a Religion Teacher. Having been involved in Youth and Music Ministry/Performances for over 20 years, she immediately began to organize the retreats, choir and performances.

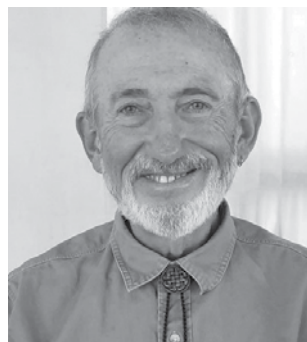

During Jeannie's 22 years here at AMSU, her role went through some changes. In 2003, Ms. D. became the Producer of our Spring Musicals. A few years later in 2011, she "moved up" from the Youth Ministry office and teaching to provide Administrative support in the area of Student Affairs and Activities. This position includes coordinating Metro cards, Enrichment Days and the School Meals Program for the students. When asked what some of her favorite memories are from her time at AMSU, she found it almost impossible to choose! Some special highlights include: Christmas Masses; Ring Day (especially the ones when it rained); the Musical; International Nights (especially the year of Hurricane Sandy which was put together in four days); and the Junior and Senior Retreats.

Ms. D. would like to thank all the Ursuline Sisters, Administrators, Staff, and Faculty that she has worked with throughout the years for all their support and willingness to help support the the activities. She also thanks all of her students for touching her life in so many ways. Very special thanks to all the Student Councilors and Advisory Board Members she has worked with who all showed such amazing leadership and dedication to our school. Lastly, Ms. D. is eternally grateful to Sr. Alice Marie Giordano, osu and Sr. Mary Beth Read, osu, for hiring her all those years ago and putting her on the path of the most amazing life journey as a forever member of the AMSU family.

Honoree

MICHAEL HENRY

Mr. Michael Henry taught at the Academy of Mount St. Ursula from 1993 until his retirement in 2016. During his time at AMSU, he taught every facet of History and Social Studies with an energy and humor that left an indelible mark on the young women in his classroom. Mr. Henry is perhaps more famously known for his guitar playing and classes! Together with fellow 2022 Hall of Famer Jeanne DiBenedetto, they created Ursula “Open Mics” an event that continues today.

Mr. Henry, on his Hall of Fame induction:

For all the students who sat in my classes over the course of the twenty-three years that I taught at Mount St. Ursula, I hope that each left my classes with a bit of perspective and appreciation for the subjects I taught. I also hope there will be a few smiles for the stories and happenings in class that I used to illustrate a point or two. But I just want them all to know, how much I learned from them. Thank you.

We are grateful to Mr. Michael Henry for the indelible mark he left on his students and the faculty alike.

SERVICE

Honoree

DANIEL HOULIHAN

Daniel Houlihan has been an active member of both the Academy of Mount St. Ursula and the wider Bronx and Westchester communities for decades. Daniel first connected with AMSU when his expertise on real estate and business were needed by the school. He served for many years as a member of the Board of Trustees for AMSU, its Campaign Council and its Finance Committee. Together with his wife Marie, he has been a student sponsor for many years.

Daniel is a staunch supporter of our mission of educating young women from the Bronx, Upper Manhattan, and Lower Westchester, and has continued to support AMSU throughout years because of the strong belief of giving back and supporting the next generation of leaders.

Dan operates the commercial arm of Houlihan & O'Malley in Bronxville, which offers commercial and residential brokerage, commercial appraisals, and privately placed financing for real estate. One of nine siblings, Dan is fortunate to work with his brothers, Joe and Gerry, and his sister Liz.

A licensed real estate broker and a Certified Public Accountant, he has been continuously active in the ownership, sale, leasing, management and valuation of real estate since 1978. He holds the MAI designation of The Appraisal Institute.

He is a member of the Real Estate Board of New York, the Westchester County Board of Realtors, the Bronx-Manhattan Board of Realtors and the Appraisal Institute.

The most important part of Dan's life is his family, Marie and daughters, Kelly, Kathrene, and Lindsey. (If he could only get all of them to watch golf with him every weekend, he'd be the happiest man alive!) Dan and Marie are the proud grandparents of Emma, Annie and Bridget, and their family also includes two wonderful sons-in-law, Joe Galvano and Martin Finn.

Honoree

ANNELEN MADIGAN '65 & JOSEPH MURIANA

A native New Yorker, Joe Muriana was both born and raised in Brooklyn, NYC. Joe has been a Bronx resident ever since, for the past half century, attending and then graduating Fordham College in 1975 with a Bachelor of Science degree. After college, and for a period of ten years, Joe worked as a community organizer with the Northwest Bronx Community and Clergy Coalition (NWBCCC), a grass roots, community-based, ecumenical, umbrella organization, initially sponsored by a group of 12 Catholic Parishes in the Bronx, targeted to work on preserving, developing and revitalizing the aging neighborhoods of the northwest Bronx.

Joe came to AMSU through his wife, Annelen '65 and his connections with Fordham University. He has been important to the recent improvements around the campus and structure of our beloved home. In addition to serving as a Trustee at the Academy of Mount St. Ursula, where he functions as the chair of the Board Facilities Committee. Joe is also on the Executive Committee. He was appointed by Cardinal Dolan as a founding Trustee of the Northwest/South Bronx Regional School Board of the Archdiocese of New York, a network of 10 Catholic elementary schools in the Bronx, where he has served as Chair of the Catholic Identity Committee.

Joe is grateful to his many dear friends, mentors, collaborators, and colleagues who collectively fed, inspired and renewed his spirit over the many years, and the many different periods of his life's episodes. To them he attributes his success, along with his family, his education, his varied experiences, and his living life in New York City and almost all of its Boroughs, which granted him a deeper and ever-changing perspective and appreciation of this diverse city and its diverse peoples, who hail from all over. Most dearly, he attributes and acknowledges his almost 20-year marriage to his spouse Annelen Clare Madigan, who has provided him with the supportive love and criticism, over these years, that he has needed to maintain his continued resilience in the face of all challenges.

Honoree

PATRICE MITCHELL '02

Patrice Mitchell has over 15 years of experience that spans multiple industries including public finance, leadership and development, and nonprofit. She began her career at UBS and Morgan Stanley and is currently a Director in Wells Fargo's Affordable Housing Public Finance Group. In these roles, she has helped to finance thousands of units of affordable housing

for low and moderate income individuals and families across the United States. Prior to Wells Fargo, she served as an Investment Banking Internship Program Coordinator at Sponsors for Educational Opportunity where she mentored diverse college students during their internships at top Wall Street firms.

Patrice has been an outstanding alumnae who often participates in many programs at AMSU, most notably, career day. Patrice was also instrumental during the height of the COVID-19 pandemic when she stepped up by underwriting the cost of several student's tuition. We are grateful for her dedication to our mission.

Patrice holds a Bachelor of Business Administration in Finance from Howard University, a Master's in Business Administration from The Wharton School of the University of Pennsylvania, and a Diploma of Culinary Arts from the Institute of Culinary Education. She is a proud alumna of The Academy of Mount St. Ursula, Class of 2002. Her favorite Academy of Mount St Ursula memory is skating down the Grand Concourse for Ring Day while being cheered on by friends, family, and the community, but most importantly, making it safely down the hill in one piece!

Honoree

MARIE ROLLA

We posthumously honor Marie Rolla, mother of Adrienne Rolla '76, for her love for AMSU throughout her life and her integral support of AMSU's Endowment Initiative. We asked her daughter, Adrienne, to tell us a little about Marie . . .

“Why are we talking about Marie Chiarito Rolla if she was just a mother of two without any true notoriety?”

Well, during 2020, the Board members of AMSU committed to setting up an Endowment for the school. We all agreed it was time to make attempts at securing the future financial status of the school. Apparently, the pandemic gave us time to think and reevaluate the importance of family and education.

2020 brought many of us sadness and financial turmoil, which included, for my family, the passing of my mother. Again, a strong believer in education, she included AMSU in her Last Will and Testament. This bequest has given AMSU their first contribution to the Endowment Fund.

My mother wasn't famous, nor did she crave being in the limelight. Hard work and education is what she stressed. So much so that for the past 10 years she began to repeatedly ask my brother and me why we worked so hard! Some things do stick.

I believe that we are all here because we have a common goal, a goal to insure that AMSU continues to provide the exceptional education and strife to empower young women for leadership in society.”

Congratulations to all 2022 honorees.
